**August 3, 2010 (New York, NY)** – The Alliance for Downtown New York, Inc. took part in last night's 1<sup>st</sup> Precinct National Night Out event in Battery Park City. The event was cosponsored by the 1<sup>st</sup> Precinct Community Council.

National Night Out is an opportunity for members of the community to meet with local law enforcement officers and elected officials. Many local community organizations – including the Downtown Alliance – offer material on their events and programming.
