New Report Documents Impact of Paid Sick Time Measure

September 29, 2010 (New York, NY) – The New York City Partnership has released a report documenting the impact that the Paid Sick Time bill that is pending in the City Council will have on New York City business and the economy. It is based on a survey of New York City employers and an analysis of survey results by Ernst & Young.

You can access the report at <http://pfnyc.org/reports/2010-Paid-Sick-Leave.pdf>.
